

Beware of Barracuda Youth Triathlon

Age Group Results

August 12, 2007

Congratulations to all the athletes that competed in our 2nd Annual Beware of Barracuda's Youth Triathlon! We hope that you enjoyed today's event! There were many first time triathletes competing. Completing your triathlon is an awesome accomplishment, something that will bring you a sense of pride and confidence for the rest of your life! And for those Youth that do regularly compete in triathlons, we hope you enjoyed our lake swim, and our beautiful race setting at the Eagle Rock Resort.

We would love to have you back again next year. Consider staying for the weekend at the Eagle Rock Resort, and competing in one of our open water swim races on Saturday! We will always look for ways to improve our race, and your race experience. We have already started the planning for next year's race. We will send out a post race survey, and would appreciate your input. Help us to make this race one of the best around!

Please accept our apologies with the following race results. Due to a technical issue, the computer time files were lost during the youth race. We were able to accurately continue with our awards ceremony with the use of our manual place judging sheets. The results below are correctly broken down by age group and place, but no times will be listed.

Race photo page has been updated. Over 500 photos of all the weekend races have been added.
